10 undersigned and to Magistrate Judge Barbara A. McAuliffe will promote efficiency and economy  
11 for the court and the parties.

12 An order relating cases under this court's Local Rule 123 merely assigns them to the same  
13 district judge and magistrate judge—it does not consolidate the cases. The local rules of this  
14 district authorize the judge with the lowest numbered case to order the reassignment of any higher  
15 numbered cases to himself or herself, upon determining that this assignment is likely to effect a  
16 savings of judicial effort. L.R. 123(c). Such good cause appearing here, **the court orders that**  
17 **the two (2) above-captioned actions be reassigned to the undersigned and Magistrate Judge**  
18 **Barbara A. McAuliffe and that they be related to each of the twenty-one (21) already**  
19 **related actions listed above.** The documents in the above-captioned actions shall bear the new  
20 case numbers above.

21 IT IS SO ORDERED.
